12th December 2006

Dear Russ

Just wanted to say a massive thank you for attending our Christmas party at Huntingdon Racecourse last Friday (8th December).

The feedback about the evening has been excellent and you had the crowd in stitches. Your set was at just the right level and the range of jokes was fantastic (particularly picking people out from the crowd - I love it!).

Thanks again - you really made the evening one to remember.

Yours sincerely
