RUSS WILLIAMS

15<sup>th</sup> March 2008

Dear Russ

RE MEN'S DINNER 7<sup>TH</sup> MARCH2008

What an excellent evening 80plus members had, firstly a good dinner, then to be entertained completely by yourself.

Nobody at the Golf Club had seen you before, so you were booked "cold". We most certainly struck lucky, You entertained us superbly. Your act was mixed, topical, and very, very funny.

The following weekend, I was inundated with congratulations from the members for booking such an entertaining comedian

The men's dinner always has a raffle for the Captain's Charity, this year we had a small auction as well, which we asked you to run. My goodness! Did we have an auction?. Russ, you were fantastic, the members didn't know what hit them, and a goodly sum was raised for my Charity.

So that evening we had two acts, an exceptionally talented comedian plus possibly the best auctioneer I've seen, it's no wonder that you are in demand all over the country.

The club will have no hesitation in booking you again, and recommending you to anyone.

Kindest regards
