

Dear Russ

Re ChildLine/Camelot Charity Golf Day

Many thanks for all your help in making our ChildLine Charity Golf Day at Moor Park Golf Club on September 6<sup>th</sup> such a resounding success.

Thought that you would like to know that we raised in excess of £18,000 so both ChildLine and Camelot are very appreciative of your efforts.

From my point of view as organising the event to have you there as an MC, an auctioneer and a comedian all under one hat was of great benefit, in that your professionalism meant that I could divert my attention to just looking after the participants.

As you know a large chunk of money at these events is raised from the auction, and to that end this event was no different thanks to your skills as an auctioneer.

I have received many letters from attendees all had a great day and evening.

Should you ever have the need for a reference please feel free to use my name and contact details.

All the best and our thanks again,

Best Regards

Nick O'Byrne
