Mr Russ Williams

Dear Russ

Men's Supper – 4 April 2008

Thanks for a super evening.

As a members club, we were looking to be entertained with wit and humour appropriate to golf and our membership. We were not disappointed. The pre dinner warm up routine was nicely done and extracted a substantial sum for my charity while at the same time setting the evening alive.

The after dinner performance was nicely balanced with some entertaining stories blended with sharp one-liners. Interaction with the mixed audience was both pleasant and amusing, gave no offence and kept everyone laughing.

In short, an excellent evening enjoyed by everyone. We would be delighted to have you again and would recommend you to others without reservation.

With kindest regards

Mike Mays
