Golf is our business

Russ Williams

28 April 2008

Dear Russ

I thought I'd drop you a quick note to say a big thank you for brightening up a wet golf day last week.

From the initial chats last week and seeing so many people laughing all the way through, it was clear you had gauged the audience very well.

It's always difficult to know how far you can go with the audience and what subjects can be covered without offending anyone. You managed both these things with ease and really made a positive and memorable impact on the attendees.

With the weather creating havoc, it was great to end in such a positive and funny way.

All the best and I hope to work with you again in the future. A definite recommendation from

Warmest regards
Liz
