Russ Williams Esq.,

Dear Russ,

**Re: East Berkshire Golf Club Men's Annual Dinner 24<sup>th</sup> October 2008**

I felt it only right and proper to write and extend a great big thank you for making our 41<sup>st</sup> Men's Annual dinner such a success. You were described to me as a very funny man and you certainly lived up to that accolade. Your humour and quick fire after dinner performance certainly kept our members on their toes and those who dared to leave the room to "turn wine into water" were made to feel pleasantly chastised by the humorous remarks you made.

I certainly would have no hesitation in recommending you to any similar audience.

Thank you once again for an excellent evening of entertainment.

Yours sincerely,

Colin Day  
**Secretary**
