Russ Williams

26 November 2007

Dear Russ

I thought I would drop you a short note to thank you for the entertainment you provided last Friday at the Club's stag supper. We are used to our after dinner speakers being just that, i.e. speaking after dinner, but you kept us entertained throughout the whole evening and gave us real value for money.

I have had a lot of feedback from our members, many of whom have said it was the best stag evening they have been to at the club in all the years we have been running it. I would add my own endorsement to that and would be happy to recommend you to any club that is having a similar function

Thanks again and it was a pleasure to meet you.

Yours sincerely

Bob Sinclair
