14th January 2008

Mr R Williams

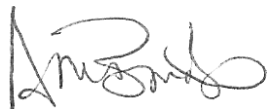

Dear Russ

Thank you so much for an excellent evening on Saturday. Your show was well-received by us all and I have since overheard several people recalling your jokes and anecdotes with renewed laughter.

From my perspective and on a personal note, your total professionalism and our telephone conversations prior to the event itself left me in no doubt that we'd made the right choice in our evening's entertainment.

Kind regards.

Yours sincerely

Alexandra Bridges
PA to Managing Director
