

Dear Russ.

8-10-08.

Thank you very much for your excellent fundraising performance last Tuesday, plus the marvellous comedy which every one enjoyed.

We have had some great feedback, just about everyone I have spoken to commented on what a good day it was and how your performance rounded it off splendidly.

All the Trustees said what a great job you did for Kids in Sport.

I hope to be in touch in the not too distant future when we organise our next big event.

Lastly the auction raised **£3625** so much more than I expected, the rest of the fundraising and sponsorship helped us achieve a total just over **£10,000** for the day, not bad for our first attempt.

Kind regards

Roger Budd.
