Dear Russ,

Re. Sporting Dinner - 22nd May 2008

On behalf of Kirkley and Pakefield FC, I feel obliged to write you a few lines in response to our recent Sporting Dinner Evening. I would like to thank you personally for your attendance and help with the event and the auction.

I have had many comments from the night and all were very favourable and I am certain we will be doing business next year.

Russ you were electric and brought the house down with your cockney humour, setting the mark perfectly for a Sportsman's evening. The quality of your performance was again of the highest degree.

I would have no hesitation in recommending you very strongly. All 280 guests (mixed audience), that attended the evening thoroughly enjoyed themselves. As a result of this Dinner Evening proving so successful we managed to make over £6k in profit towards funds on the night.

On behalf of all at Kirkley & Pakefield FC many thanks and may I wish you continued success. I would be happy for you to give my phone number and email as contact to support my recommendation.

My Thanks and gratitude
Harry Goldspink
General Manager Kirkley & Pakefield FC
