Dear Russ

I just wanted to let you know how grateful we are for your assistance with our tenth anniversary celebration. It was more of a success than we could have hoped for. You did a fantastic job of entertaining our clients and partners both as a comedian and auctioneer especially as they were such a varied audience.

During the evening we raised over £1400 going towards the National Blind Childrens Society. As you can imagine the charity is over the moon as are we. Thanks also for your guidance in the organisation of the auction.

Yours sincerely
