Dear Russ

Sorry I missed the show!

By all accounts this year's events were even better than last year and your "interview" with Lawrence Dallaglio brought the house down.

I know to get this high level of professionalism takes a lot preparation and hard work and it certainly paid off.

Of all my concerns about how the night would go in my absence I had full faith in you and your team, doing exactly what was needed. I didn't expect Linda to fall of the stage and Linda and Pauline to disappear for the rest of the night. I believe Connie was an absolute star and you ensured the show went on. Thank you.

Please pass on my thanks to both Connie and John it was an excellent Team performance.

Thank you also for your card and kind thoughts, I know you have had personal experience of premature babies and understand what we have all been through.

Yours sincerely
