Russ Williams

Dear Russ,

On behalf of everyone at Orchid, I would like to thank-you for the fantastic support you have given us over the last year. At our 10th Anniversary Dinner held at the Savoy, you was simply superb in hosting the cabaret as well as conducting the auction. I had several telephone calls from guests saying you made their night. The 'Bearing All Fundraising Dinner' - I have no doubt that you alone turned a £20,000 fundraising event into an unbelievable £75,000! Finally, you were on top form at our recent 'Men In Pants' charity walk with your exuberant personality, you have the a rare talent of making everyone laugh and smile!

On a personal level, I would like to thank you for the advice and guidance that you have given me over the years, you have helped immensely, for that, I am forever in your debt.

Kindest regards

Colin Osborne
