Russ Williams

20th March 2008

Dear Russ

Just a short note to express my thanks for your entertainment at our Golf Club Dinner and Dance on Friday 14th March 2008.

I felt that you pitched your comedy at just the right level and the guests really enjoyed your performance and we would like to see you back at some time in the near future.

I understand that our Vice Captain Simon Steel has in fact booked you for an evening later on this year and I look forward to seeing you then.

Once again many thanks for the entertainment.

Yours sincerely
