Russ,

GENTLEMEN'S INVITATION

Following the Gentlemen's Invitation on Saturday, 30th August, I am writing to express our gratitude for providing an evening's entertainment that was of the highest order. Your infectious humour, delivered with such enthusiasm was enjoyed by all of us and has since been the talk of the club. There was 'something for everyone' and it provided the 'icing on the cake' to an enjoyable day's golf.

We will certainly look at welcoming you back to Southwick Park in the not too distant future and would certainly recommend your services to any other club or organisation without a moments hesitation.

Many thanks again Russ and good luck in your travels; until the next time!

Kind regards,

Steve Searle
Manager
SPGC
