Dear Russ

Re: The Ray Clemence Golf Classic

Just a note to thank you for your wonderful contribution to last month's event. There were one or two hiccups around the tournament and hotel but your contribution to the evening's Gala Dinner meant that everyone finished on a high and forgot those little blips.

The main thing was we raised £23k for SPARKS the largest amount we have managed so far.

I have had numerous messages from the teams thanking me for a great event but also saying, in particular, how much they enjoyed the Gala Dinner.

We try and raise the standard of the tournament every year, and we have had some good acts on before, but this year was exceptional and a major reason why the charity did so well.

Once again, thanks for your fabulous efforts and look forward to seeing you around the 'circuit'.

Regards

Ray Clemence
