Dear Russ

Just a short note to thank you for attending our Travis Perkins Customer Golf Day at Sweetwoods Park on 7th November 2007.

I have had numerous conversations with our customers that attended the day and ALL have said how good the golf was and where did I get the comedian from. Thankfully they were not talking about the way I had played but your performance on the evening.

I can truly say that I have not laughed so much in one evening, your memory bank must be huge! Thank you for pointing out to my customers that my guvnor had been swimming and still wearing his swimming hat (His Baldness) & that his favourite instrument at school was the dinner bell !! ( brilliant ).

Travis Perkins will defiantly be seeking your services again during 2008 and I look forward to seeing you again soon.

*May I wish you and your family a Merry Christmas & prosperous New Year*

*"Keep em Laughing"*

Kind Regards

**Martin Cope**
